## Mandatory Insurance Requirement for Counseling Students

Counseling students must maintain malpractice insurance throughout their entire graduate program. The College carries liability insurance to cover students in such field placements.

## Required Intensives by Program

An intensive is a short period of time in which all day learning takes place face to face with the instructor that is not measured by academic credit. Master's programs and Graduate Certificate with the titles listed below require completion of the following intensives for degree or certificate completion. Unless specified otherwise, all intensives are offered in the vicinity of Prescott, AZ or Tucson, AZ. Intensives are generally scheduled to be before or after colloquium for ease of travel.

## Expressive Arts Therapy

Successful completion of one intensive is required for full MS in Counseling students with the EAT concentration and for Post Master's in EAT students. One is offered each summer.

## Adventure-Based Counseling & Nature-Based Counseling

Successful completion of four experiential field intensives (one may be substituted by an independent study totaling not less than 100 hours) are required. Intensives are typically 3-5 days.
